

No. 33

September 1958.

Greetings to each member of the family and a most cordial welcome to the new members. I would be very pleased to receive letters from the members unable to attend the meetings, letters that could be read at our meetings, that we might become better acquainted with our family.

Deepest sympathy is extended to those who have known bereavement during these past months.

I wish for all a bountiful Thanksgiving, a happy Christmas and a New Year filled with love and contentment.

God bless you all
This Christmas Day;
May Bethlehem's Star
Still light the way,
And guide thee to
The perfect peace
Where every fear
And doubt shall cease,
And may thy house
Such glory know
As did the stable
Long ago.

RESUME OF THE MEETINGS

At the April meeting we enjoyed a pleasant half hour while Mrs. Robert M. Brayton, our Vice-President, read a paper on "Roger Williams' Neighbors."

On May 8th we had a fine illustrated talk on "Ten Thousand Years in America" by William Smith Fowler, Ph. D. This was really an exceptional talk, both interesting and instructive.

At the Annual Pilgrimage to the First Baptist Church of Providence, R. I., on May 18th, we enjoyed a fine sermon, after which we had dinner, then a trip to the Daggett House and Old Slater Mill in Pawtucket, from there to Oldtown Church in North Attleboro.

June 5th, Mr. Marshall Morgan enlightened us on our "Hessian Heritage," presented in a charming manner.

Saturday, July 12th we enjoyed a picnic at "Hillstead," home of Mrs. Dana Lawrence. We had just a wonderful time. Our charming hostess gave us a most interesting history of the lovely old house which is her home.

August 2nd our meeting was at the General Nathanael Greene Homestead. Mrs. Harold P. Williams read an essay on General Greene, written by a high school student in 1896. It was a very fine essay.

Our Annual Meeting on September 4th at Roger Williams Park Museum Auditorium was followed by a "Trip to the Moon" presented by Mr. Rudolph Hempe in the Park Planetarium.
